

SEYM GATHERING SCHOLARSHIP FORM

We hope that all who would like to attend the SEYM Gathering will have that opportunity, and SEYM has funds for this purpose. We encourage any Friends who may require financial assistance to apply for scholarships and submit a registration form online.

Registrants applying for scholarships are required to work with their Meeting clerk or appropriate Meeting Committee Clerk to discern what funds the Meeting will be contributing for their scholarship, and to complete this form. A general rule of thumb is that the Meeting pays 1/3, SEYM pays 1/3, and the registrant pays 1/3; however, other arrangements may be made as agreed upon by Registrar, Meeting Clerk, and attendees **in advance of the Registration deadline, March 26th**.

Please go ahead and register online, following the instructions in the Scholarship section carefully. The SEYM Office will send you a copy of your registration so you can complete this form.

If there are persons on your registration who are NOT applying for scholarship, please use the second page of this form to calculate the total registration cost for those who are.

Send completed form via e-mail to Andrea Hoskins, Registrar:

AndreaGHoskins@Yahoo.com by **March 26th**. If you have any questions, please call Andrea at 305 609-9704.
