

# Southeastern Yearly Meeting

## Quakers in Florida, southeast Georgia & coastal South Carolina

May 10, 2021

Re: 2021-2022 Apportionments

Dear SEYM Meeting Clerk, Worship Group Convener, or Treasurer,

Please find attached the schedule of apportionments for all SEYM Meetings and Worship groups, based on statistics submitted to the Membership Recorder as of April 30, 2021. In the interest of “up-to-date”, the statistics are what Membership Clerk Ed Lesnick had available as of April 30. The numbers changed very little for each Meeting from last year. Three smaller Meetings did not report any statistics; I have left their numbers as they were last year.

Please know that this schedule is a mathematical calculation that would cover the SEYM budget under all best possible circumstances. As I and the Treasurer have mentioned in years past, the amount shown for your Meeting or Worship Group is suggested, and “if possible”. It is not a mandate.

As was pointed out during the last plenary of this year’s Annual Gathering (per zoom), the COVID crisis has undermined people’s ability to give. I am sure that all of SEYM understands that, and - as in years past – SEYM will work with what it gets.

Worship Groups can either contribute directly or through their sponsoring Meeting. This election is entirely dependent on the arrangement each Worship Group has with its sponsoring Meeting.

Pleasurably serving you in the Light,

Peter Schmidt  
Clerk, SEYM Finance Committee
