- 21YBM08** Southeastern Yearly Meeting of the Religious Society of Friends adopts the minute of the SEYM Committee for Ministry on Racism: Truth and Healing Commission for Native Peoples. SEYM supports the “Truth and Healing Commission on Indian Boarding School Policy Act” (HR 8420) that was considered by the U.S. House of Representatives in 2019-2020. Although HR 8420 did not become law, CMOR continues to support the establishment of a Truth and Healing Commission. The bill’s purpose was to

set up a Truth and Healing Commission to address the multigenerational trauma experienced by American Indian and Alaska Native children, now adults, who were forcibly removed from their homes between 1869 and the 1960's and placed in Indian Boarding schools far from their homes. Quakers were among the strongest supporters of the federal policy calling for this forced assimilation, and operated some 30 Indian schools. The children were taught to reject their Native languages, cultures, and spiritual practices and adopt Euro-American culture. U.S. Secretary of the Interior, Deb Haaland, has tasked Senator Elizabeth Warren with reintroducing the bill this year. Senator Warren will consult with the National Native American Boarding School Healing Coalition for wording for the bill. The bill is expected to be similar to last year's bill. SEYM urges all Friends to watch for this bill and give it their support. **APPROVED**

21YBM09 Friends approve the Epistle with minor edits to be sent to Friends around the world. **APPROVED**
