

WHERE ARE THE YOUTH?

A CALL FOR MORE FAMILY & YOUTH PARTICIPATION IN MONTHLY MEETINGS

Sunday, October 11, 4:00 pm on Zoom

Join the SEYM Youth Committee for queries and conversation about a topic close to our hearts: supporting and making space for families and youth in our meetings. This virtual get together will be a space for Friends to share resources, queries, and concerns about youth involvement (or lack thereof) in their meetings. Questions, suggestions, or simply Friends' presence is welcome and invited.

Let's hear from a representative from each SEYM monthly meeting!
